### **Impressive McCollum**

Recently U.S. Rep. Congresswoman Betty McCollum visited Tanzania to speak with the serving Peace Corps volunteers. I would like to extend my thanks to the residents of the St. Paul area for electing this woman to one of the highest offices in the United States.

She was friendly, down to earth, asked relevant questions, and seemed very informed and supportive of our work here -- something I cynically wasn't expecting of a member of Congress. Even though she serves on the Foreign Relations Committee I was still impressed.
